9. – 11.09.2008

Please do not return this form. The listed product group numbers may be entered on Form 2.10.

Please enter the product groups that apply to your company on Form 2.10. Your selected entries are listed in the show catalogue and on www.dms-expo.com and can be found at our electronic visitor information system called "Infoscout". Moreover, each chosen number is subject to the DMS matchmaking process and thus subject to online visitor inquiries.

Software
