**Terms of rent**

---

1. The following terms and conditions apply to all contracts. Terms and conditions of the customers that contradict those given here are not valid. Deviations from these terms, collateral agreements and orders placed by phone are only valid if confirmed by us in writing.
2. The labor and material prices agreed upon in writing are authoritative, otherwise our general prices apply.
3. The rented and purchased items are either delivered to the customer as agreed or to the ICM in good time prior to the start of the event. Delivery appointments must be confirmed in writing. The rented items must be ready for pick-up at the end of the event. They may not be locked into the booths.
4. If the customer leaves early or later than expected, he or she is obligated to inform the lessor of this fact in good time due to security reasons, and to arrange a time when the rented item(s) may be picked up.
5. If delivery of an ordered rented item is not taken, it must still be paid for by the customer.
6. Upon delivery, the customer has to check that each item is in proper condition. Later complaints can only be acknowledged if they are made within 24 hours of delivery. The customer's liability commences upon delivery of the item and remains in effect until the item is picked up again by the lessor (during trade fairs the customer is still liable even if he or she has already left the stand.). The customer's liability does not extend for more than 24 hours after the event is over, except in cases where a later pick-up time as been agreed on (Article 4), or the customer has not prepared the items for pick-up. (see Art. 3, sentence 3).
7. The rented items are insured against improper operation or damage with 6% of the rental fee (no insurance against theft!). The customer is liable in case of loss.
8. If the rented item is defective, the lessor has the right to deliver a replacement of equal value. The customer has the right to rescind the contract if a replacement item of equal value cannot be delivered. If the service provided is faulty, the lessor is obligated to remedy it. Further warranty claims for indirect damages are excluded.
9. The lessor is not liable for services arranged that are not related to the business at hand.
10. Place of performance for both parties is Cologne. The legal system of the Federal Republic of Germany is authoritative, even for agreements with foreign customers, both in Germany and abroad. The place of jurisdiction is Bergisch Gladbach.
